

# BIG Internet Solutions for Small Businesses all in One Package

One Small Affordable Monthly Subscription – No upfront charges

We have a simple yet comprehensive selection of Small Business Internet Packages with *NO upfront payments* and one small affordable monthly subscription.

All packages include .com or .co.uk domain name, unlimited email accounts, super-fast and super-reliable web hosting, professionally designed website - compatible with tablets and smartphones, search engine registration AND on-going optimisation from only £75 per month. Optional E-Commerce "Store" from only £95 per month & Hotel live on-line booking systems from £115 pm.

If you already have a website that's not performing and think it's in need of a makeover or redesign we'll move and update it for you at no extra charge and get you on Google for your preferred search phrases.

(12 month minimum subscription payable by PayPal subscription, standing order or credit/debit card)

- 1) Switch to Kent Web Design, it's easy - Choose Your Domain Name (or we can transfer your existing name)
- 2) We set up your email accounts, as many as you need.
- 3) We'll Design your website, and host it on Super-fast, super-reliable and super-secure web servers.
- 4) We'll optimise your website and register it on hundreds of Search Engines, including Google, Bing and Yahoo! then tweak it to achieve best ranking search results month by month.

We design websites that will work for your business 24 hours a day, 7 days a week, whether you're a retailer, hotel or restaurant, coffee shop, domestic trade service provider, every business type and with 20 years experience we have a solution for *your* business to make the Internet work for you.
